How to Read this Schedule:

This class schedule offers a complete listing of courses and also extracted listings, in case you are interested in enrolling in a particular type of course or at a particular location. Pay close attention to the "Location" column, which will tell you where each class meets. The "Class Number," at the beginning of each course listing, is unique to each course and with this number alone you can enroll in or request information about a particular class.

Meeting Times: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday
