Placement Test: Take WCC's Compass Placement Test prior to registering for classes. Students taking classes at WCC during the summer session often are taking a class to get ahead at the 4 year school they are attending or to save some money. They are blocked from registering because they have not taken a placement test or met a pre-requisite. Should that be the case please contact your friends in student services—Karen Hawkins at 276-223-4758 can help you get through that gate

Study for Placement Tests

The Placement test is used to determine at what level you begin in math and English courses. So it is in your best interest to brush up on these skills prior to taking the test. The test is given via computer and is untimed. Study guides can be found at: www.act.org/compass/sample

Take the Placement Test at:

WCC Bland Hall in the Academic Resource Center on the Main Campus
